

UPDATE: GENERAL GUIDELINES COVID-19 Implications for the Catholic Diocese of Sale

Information Updated: Friday 28th May 2020 2.30pm

The following Guidelines are approved by Rev Fr Peter Slater, Diocesan Administrator to assist Clergy and Faithful with questions pertaining to specific areas of liturgy and ministry in the Diocese of Sale during this time of the COVID-19 pandemic.

In relation to the latest directives announced by Government (Sunday 24 May 2020), there are **THREE KEY POINTS** that directly affect churches, places of worship and liturgical celebrations and ceremonies held within.

From **11:59pm on 31 May 2020** restrictions on gatherings at places of worship and ceremonies will be eased:

- **Places of worship** can open for private worship or small religious ceremonies for **up to 20 people in a single undivided indoor space**, subject to **the four square metre rule** plus the minimum number of people reasonably required to perform the service or ceremony.
- **20 people in addition to the celebrant and couple being married** can attend a **wedding**. If a wedding is held in a home, a maximum of 20 people is allowed, including the celebrant and the couple.
- **50 people can attend a funeral in addition to the officiant and funeral staff**, subject to **the four square metre rule**. If a funeral is held in a home, a maximum of 20 people can be present (including the officiant and funeral staff).

In general, conditions require:

- Clear signage around service schedules, social distancing and hygiene requirements;
- Availability of sanitiser and disinfectant wipes, and safe disposal sites;
- Churches to be cleaned after a scheduled service or opening;
- Maintenance of 1.5m of separation and planned entry and exit pathways;
- Building capacity rules must apply – 1 person per 4 square metres.
- **All attendees to provide contact details.**

It is important that you please take the time to read the DHHS Vic guidelines. <https://www.dhhs.vic.gov.au/religion-and-ceremony-restrictions-covid-19#can-a-recreational-facility-be-used-for-wedding-or-funeral-services>

GENERAL GUIDELINES

Please note most recent updates are marked in red.

It is important to note as we welcome the opening of our churches, what is made available in these days will be at the discretion of the local Parish Priest or Administrator who will best be able to determine the capabilities of each individual Parish to meet all the required conditions and pastoral needs of their people.

Please also consider maintaining your livestreaming where possible. This has been an important point of contact and spiritual resource for people, and will continue to assist the housebound, vulnerable and those who do not feel comfortable in returning to public spaces at the current time.

Masses and Church buildings – Places of Worship	<ul style="list-style-type: none">• All places of worship (including Hospital and Aged Care Chapels) may now open for pre-arranged worship, small religious ceremonies or private worship. As of 11.59pm on 31 May 2020, up to 20 people as well as the minimum number of people reasonably required for the service – in a single undivided indoor space – are permitted. [In addition to the twenty attendees you may could include the Celebrant, one server, one or two readers, one musician and singer, technical/video persons and two people to supervise hand sanitising/registering].• CONTACT DETAILS are required for all attendees at Masses or ceremonies – and must include: First Name + Contact Number + date and time at which the person attended the place of worship;• Multiple liturgical celebrations or ceremonies can be held on the same day, but cleaning must occur between liturgies or ceremonies. Consider at least an hour between liturgies or ceremonies to reduce the risk of crowds at entrances and exits.• Places of worship can continue to be opened for the purposes of hosting essential public support services such as food banks, help for the homeless or other essential activities, ensuring appropriate physical distancing is maintained by keeping at least 1.5 metres between everyone at all times. Churches may be opened for scheduled times of Private Prayer. Only 20 members of the public may be present, in addition person/s reasonably required to conduct the service and maintain the space may also be present. All distancing and hygiene measures must be in place.

	<ul style="list-style-type: none"> • Making Private Worship available will require door monitoring to check how many people are present at any one time, and communicating a workable and nominal length of time that people should spend in prayer (to allow others the opportunity to partake). Contact details must also be taken as per regulations: First Name, contact number, time in attendance – this should not be merely leaving a clipboard and pen out (which is unhygienic) consider online registration or a volunteer who actively records these details. • Clear and frequent signage must be made available regarding distancing and hygiene requirements – and should particularly note the maximum number allowed in the space at any one time for particular celebrations. Floor and outdoor signage should be considered to prevent people congregating or waiting in queues.
<p>Masses, Ceremonies, Liturgies</p>	<ul style="list-style-type: none"> • Multiple liturgical celebrations or ceremonies can be held on the same day, but cleaning must occur between liturgical celebrations or ceremonies. • Each Parish must publicly publish a schedule of Masses and liturgies that will take place until the 22nd of June, and how people may nominate for attendance; • At least an hour should be allowed between liturgical celebrations or ceremonies to reduce the risk of crowds at entrances and exits. • The four square metre rule, which limits the number of people who can be in a building, applies at all times. This is not about distancing between people (which is 1.5m) but is about building capacity. A space can only allow 1 person per 4 square metres. This pertains particularly to a Funeral, but possibly a Wedding or Baptism, where a larger number of attendees and those enabling the liturgy to run may be present. • CONTACT DETAILS are required for all attendees at Masses or ceremonies – and must include: First Name + Contact Number + date and time at which the person attended the place of worship; • Liturgical celebrations and ceremonies can still be recorded or broadcast live from the place of worship for viewing online. You are allowed to have people on site to record and live stream celebrations, however, you must ensure those people maintain physical distancing by keeping at least 1.5 metres between each other at all times.

	<ul style="list-style-type: none"> • Places of worship may be opened for the purposes of conducting weddings and funerals, but there are strict limits on the number of people who can attend (see under listing for Weddings and Funerals). • Priests may celebrate Mass privately in a closed church for the purposes of live streaming. In doing so all precautions such as physical distancing and hygiene measures must be modelled and met. • Masses may be celebrated in Religious Community Chapels (for that household religious community only), and in Hospital Chapels as long as all conditions are met and in co-operation with the particular Health organisation and the Chaplain assigned to that place. • For guidelines regarding the distribution of Holy Communion please refer and adhere to the accompanying document “Pastoral and Liturgical Considerations”.
<p>Broadcast and livestreaming of liturgies and ceremonies</p>	<ul style="list-style-type: none"> • Churches are now considered as workplaces for the purposes of broadcasting or live-streaming liturgies. This permission pertains only to: <ul style="list-style-type: none"> - “people conducting services” - for the purpose of “broadcasting or live-streaming” While this allows for more people to be involved, churches must abide by the 4 square metre per person rule for the capacity of the space, and adhere to the 1.5m between each person distancing — it does not open the door to in-person attendees unless they fall within the new categories announced 11 May 2020 and extended as of 11.59pm on 31 May 2020. <p>The following points are to be strictly adhered to in every place of worship in the Diocese of Sale:</p> <ul style="list-style-type: none"> • Churches will be considered as "workplaces" for the purpose of allowing broadcast or live streaming of key liturgies and ceremonies for the faithful. • Only the minimum required for the proper conduct of the Liturgy and its broadcasting/live-streaming are permitted to be present; for example: <ul style="list-style-type: none"> - Household Clergy - A Server - Up to 2 Readers - A Musician and Singer - Videographers/Technicians • You may not have a choir or music ministry group, or any other group of people, located elsewhere inside the church, even if they are off-camera until further notice. Please also refer to the latest edition of Living Liturgy. • The 4 square metre rule applies in all circumstances to building capacity. The number of persons present must be adjusted according to the size of the location of the ceremony.

	<ul style="list-style-type: none"> • At Communion time, only those physically present (as above and outlined further below) may receive the Holy Eucharist, following all previously shared guidelines for hygiene. <i>Please note: this may be a difficult time for people online who cannot share in sacramental Communion. Please show discretion and sensitivity in distributing, reminding everyone at home that they may join prayerfully in spiritual Communion.</i> • Following a liturgy, the church must be cleaned in accordance with the guidance on routine environmental cleaning and disinfection in the community, available at: https://www.health.gov.au/resources/publications/coronavirus-covid-19-information-about-routine-environmental-cleaning-and-disinfection-in-the-community • Home/household Masses are not permitted.
